Remove & replace shingles, ridge vent, vent pipe boots,			COUNTY
This includes all material which the customer paid directly to the supplier, \$4275.89 \$5709.11 paid to contractor for labor, permit fees etc. If this will help out in the permit cost. They wanted to finish the material but I wanted to make sure they would be covered on the material warranty so it needed to be added to the contract but we made no markup on the material.
