The powers of a county must be liberally construed in favor of the county and the specific mention of particular powers may not be construed as limiting in any manner the general powers of counties.

**WHEREAS**, South Carolina Code of Laws Annotated Section 4-9-130 provides that:

To meet public emergencies affecting life, health, safety or the property of the people, council may adopt emergency ordinances; but such ordinances shall not levy taxes, grant, renew or extend a franchise or impose or change a service rate. Every emergency ordinance shall be designated as such and shall contain a declaration that an emergency exists and describe the emergency. Every emergency ordinance shall be enacted by the affirmative vote of at least two-thirds of the members of council present. An emergency ordinance is effective immediately upon its enactment without regard to any reading, public hearing, publication requirements, or public notice requirements.
