Recommendations

ITEMS FOR ACTION

- Consent**
- A. Statler Road Drainage Project** – The committee unanimously recommended approval of a construction contract to A.P. Bowden Construction Company, Inc. for the construction of the Statler Road Drainage Project.
 - B. Northeast Transportation Study** – The study was not recommended for adoption or forwarded to the full Council as requested by staff. The committee recommended a study of the Southern portion of the county, to be used with similar studies of the Northeast and Northwest in identifying county-wide transportation concerns.
- The committee also directed the Director of Public Works to estimate the cost of a county-wide study, and identify a method of financing such a study.

EXECUTIVE SESSION

- A. Acquisition of Land to the North of the Richland County C&D Landfill** – The committee unanimously recommended approval of the purchase of 34 acres of property north of the current Richland County Landfill site.
