# DISTRICT 2 NEWSLETTER

From Councilman Derrek Pugh

Greetings!

Welcome to the inaugural edition of a quarterly newsletter for the residents of Richland County Council District 2. I am honored to be your representative, and I am committed to serving you with honesty, integrity and transparency.

When I campaigned, one of my promises was to communicate with you regularly. This newsletter is just one of the platforms I will use to keep you informed about what's going on in Richland County Government, as well as decisions and actions that affect you. I thank you for taking the time to read the newsletter and hope you will check out another forum for communication that I will highlight later.

District 2 is a diverse segment of Richland County, composed of urban, suburban and rural communities linking Blythewood, St. Andrews in the Broad River Road area, Harbison and many areas in between. I've enjoyed getting to know people in these various communities. My hope is that we form a partnership to improve District 2 and the County as a whole. I will do my part by listening to you, addressing your concerns and focusing on three priority areas based on feedback from you on how we can move Richland County forward.

It will give me great pleasure to work with you on these goals:

- **A Smart County**, focused on infrastructure, job opportunities, housing, economic development, new business and entertainment.
- **A Healthier County**, because of a collaboration with local health care providers to offer opportunities to Richland County residents within their neighborhoods. Access to medical care, especially during the COVID-19 pandemic, is essential to our physical health, and also to the County's economic health.
- **A Prosperous County**, based on a plan to give all residents access to educational, recreational and financial literacy services.

Let's form a partnership to focus on these goals and move Richland County forward. This newsletter contains information on how to contact me directly and get more involved in Richland County Government. Let's work together to build a better Comm"YOU"nity. It will take all of YOU to make a difference.

In addition to the quarterly District 2 newsletter, I also am kicking off a monthly YouTube video series called the Councilman's Corner. In this series, I will answer questions from you. Find the video at [https://www.youtube.com/channel/UCxq\\_\\_bHdLQi7uA8lhUuFn7Qx](https://www.youtube.com/channel/UCxq__bHdLQi7uA8lhUuFn7Qx). You also can link to it from the Richland County Government website, [richlandcountysc.gov](http://richlandcountysc.gov).

To send questions for me to address in the next video, email me at [D2Questions@richlandcountysc.gov](mailto:D2Questions@richlandcountysc.gov). Let me hear from YOU! And be sure to look out for the next quarterly newsletter in July.
