

STORM DRAIN SERIES

RICHLAND COUNTY, SC

Geocaching is an outdoor adventure game similar to a treasure hunt played with a GPS device. The basic idea is to locate hidden containers, called geocaches, and then share your experiences online. There are over a million active geocaches around the world! With Richland County's Drains Aren't Dumps series you can learn ways to keep Columbia's rivers clean while experiencing local public art and seeking fun caches.

To receive your Drains Aren't Dumps Series coin, email stormwater@richlandcountysc.gov with a photo of your completed passport to arrange whether the coin can be picked up or will be mailed to you.

DISCLAIMER TO NEW GEOCACHERS:

Please join us in playing. Please do not move or vandalize the container. Replace the cache like or better than you found it and when you leave, and make sure the cache is completely covered. The real treasure is just finding the container and sharing your thoughts with everyone who finds it.
