Closeout (phase 1 and 2 were under 1 permit)

The original permit (CLOS23-00057) expired 2/2/24. Keith Utheim with Hussey Gay Bell asked that I void this permit on 6/26/24 and re-open CLOS23-0007 because he didn't see it listed in his dashboard.

Disregard the previous message. The engineer cannot see CLOS23-00057 on his dashboard and this file has been re-opened.
