Regarding the above referenced permit, Sales decided not to start this house and we need to have this one cancelled, please. Can the refund be placed in our trust account?

This was 1 home of 6 that we are allowed per phase without the plat being recorded, so we need to have another in its place. Permit #RBD19-01248 is currently under review awaiting approval from Heather due to this issue with only 6 houses per phase. Should I get in touch with her once 01330 is cancelled?

Thanks for your help, and let me know if you have any questions!
