

Select One:	Level of Support	Project Supported
	\$25	Provides one youth conservation award to raise awareness about natural resources. In 2021, youth poster entries will celebrate the theme “Healthy Forests = Healthy Communities.”
	\$50	Provides three classroom conservation education programs for prek-12 students at one Richland County school. These hands-on programs are aligned to academic standards and are provided at no cost to the school or teacher.
	\$100	Funds one seed variety in the Richland County Seed Sanctuary, which provides vegetable, herb, and wildflower seeds to Richland County residents to support home gardening and pollinator habitat.
	\$175	Sponsors one high school team to compete in the SC Envirothon — an environmental science quiz bowl that promotes natural resources education and career exploration.
	\$250	Sponsors plants, soil amendments, and other supplies for one raised bed in Richland County’s Pollinator Demonstration Garden at Pinewood Lake Park. Bed sponsors will be recognized with temporary Garden signage.
	\$500	Funds one Conservation Education Mini-Grant for a conservation project at a Richland County school or educational site.
