3. **ORDINANCES – SECOND READING** – Dr. Yudice stated we are here today to have 2<sup>nd</sup> Reading of the FY19 Budget Amendment.

Mr. Malinowski inquired if this portion of the agenda is dealing with this document that was just put here.

Mr. Hayes responded in the affirmative. He stated what Council has is the motions list.

Mr. Malinowski stated we have just received the motions list, which has all of these pages, and potential additions. He stated he had not seen these items and he does not know why Council would be moving forward, at this point and time.

Mr. Hayes stated those are the items Council saw during the Budget Work Sessions.

Mr. Malinowski stated Council is just seeing the motions list. He inquired if the expectations are for Council to act on the motions list.

Mr. Hayes stated the motions list are the items that were discussed during the Budget Work Sessions. The only things that are different on the motions list are items certain Council members submitted.

Mr. Hayes stated there are 2 documents before Council. One is the motions list and the other is a PowerPoint presentation, which has the backup documentation. We will be going in order of the motions list. In the previous work sessions, we went through each item.

Mr. Malinowski stated he does not know if the Clerks have this in front of them in a way to capably handle voting on this.

Ms. Onley stated Council can vote on the items, but if there is a substitute motion or a reconsideration of an item, we will have to vote by a show of hands.

Ms. Dickerson stated this is going to put us in a very awkward position because we have a lot of items to deal with tonight. If we cannot look at these items and vote on them, we are going to have a serious and difficult time knowing who voted on what.

Mr. Pearce inquired if would be beneficial if we deferred action until we can get this set up.

Ms. Onley stated if Council wishes to vote electronically it will need to be deferred.

Mr. Pearce stated he thinks it is going to be very difficult to vote.

Mr. Pearce moved, seconded by Mr. N. Jackson, to defer 2<sup>nd</sup> Reading to allow Council members an opportunity to review the motions list and make sure all of the technology is correct.

Mr. Livingston stated there needs to be a date attached to the deferral.

Ms. Dickerson stated Mr. Pearce had requested her to set the date. She inquired, of the Clerk's Office, if there was anything scheduled for next Thursday, June 14<sup>th</sup>.

Ms. Onley stated that 3<sup>rd</sup> Reading had been slated for June 14<sup>th</sup>.

Ms. Dickerson stated she would schedule 2<sup>nd</sup> Reading of the Budget for June 14<sup>th</sup> at 6:00 p.m. and 3<sup>rd</sup> Reading for June 21<sup>st</sup> at 6:00 p.m.

In Favor: Pearce, Rose, McBride, N. Jackson, Malinowski, Dickerson, Kennedy, and C. Jackson

Opposed: Livingston and Myers
