Grant Due: February 5, 2023, before 11:59 PM

Grant Cycle will open December 5, 2022 in ZoomGrants

A-Tax Grants are funded through the collection of Accommodations Taxes. By act of the SC General Assembly, a two percent (2%) tax is levied in South Carolina on the rental of all transient accommodations. The proceeds from this tax are utilized by municipalities and counties in the State to promote tourism and tourism-related activities.

ALLOCATION REQUIREMENTS

The funds received by a municipality or county must be allocated as follows:

- The first \$25,000 to the General Operating Fund.
- The balance remaining, after deduction of the \$25,000, must be allocated as follows:
 - 5% of balance to General Operating Fund
 - 30% of balance to special fund for advertising and promotion of tourism
 - 65% of balance, plus interest, to a fund for tourism-related expenditures as described above

Per the South Carolina Code of Laws SECTION 6-1-530, A-Tax funds can be used for the following:

(A) The revenue generated by the local accommodations tax must be used exclusively for the following purposes:

- (1) tourism-related buildings including, but not limited to, civic centers, coliseums, and aquariums;
- (2) tourism-related cultural, recreational, or historic facilities;
- (3) beach access, re-nourishment, or other tourism-related lands and water access;
- (4) highways, roads, streets, and bridges providing access to tourist destinations;
- (5) advertisements and promotions related to tourism development; or
- (6) water and sewer infrastructure to serve tourism-related demand.

(B)(1) In a county in which at least nine hundred thousand dollars in accommodations taxes is collected annually pursuant to Section 12-36-920, the revenues of the local accommodations tax authorized in this article may also be used for the operation and maintenance of those items provided in (A)(1) through (6) including police, fire protection, emergency medical services, and emergency-preparedness operations directly attendant to those facilities.

(2) In a county in which less than nine hundred thousand dollars in accommodations taxes is collected annually pursuant to Section 12-36-920, an amount not to exceed fifty percent of the revenue in the preceding fiscal year of the local accommodations tax authorized pursuant to this article may be used for the additional purposes provided in item (1) of this subsection.

In FY2023, Richland County awarded \$400,000 in A-Tax grants. The amount available for FY24 grants is subject to change through County's budget process.

ATAX GRANT PROCESS

To be considered for funding, an application must be submitted in ZoomGrants by the published deadline, **February 5, 2023, 11:59 PM**. Once all applications for A-Tax Grant funds are received by Richland County and eligibility is verified, they will be forwarded to the A-Tax Committee for review.

Applicants will have the option to deliver a four (4) minute presentation on their program to the Committee in March/April. The date will be announced as soon as possible.

The Committee will review and score each application based on the evaluation measures described below. Applications will be ranked based on the scores and the Committee will determine funding recommendations. The Committee will submit its funding recommendations to the County Council. County Council makes all funding decisions; however, the Council relies heavily on the recommendations of the Committee. ORGANIZATION ELIGIBILITY REQUIREMENTS

- Applicant organizations must have been in existence for at least one (1) year prior to requesting funds.
- Applicants must provide proof of their non-profit status and fall into one of the following categories:
 - Organizations exempt from federal income tax under Section 501(C)(3) of the Internal Revenue Code and whose primary goal is to attract additional visitors through tourism promotion. The letter of exemption from the Internal Revenue Service must accompany your proposal.
 - Destination Marketing Organizations, which are recognized non-profit organizations charged with the responsibility of marketing tourism for their specific municipalities, counties or regions, such as Chambers of Commerce, Convention and Visitors Bureaus and Regional Tourism Commissions.
- Richland County will not award A-Tax Funds to individuals, fraternal organizations or organizations that support and/or endorse political campaigns.
- Religious organizations may receive funding; however, Richland County may not sponsor nor provide financial support to a religious organization in a manner which would actively involve it in a religious activity (i.e. public funds must not be used for a religious purpose). Thus, any funds provided must be solely utilized for secular purposes and the principal or primary goal of the sponsored activity must not be to advance religion.
- Grantee organizations may not re-grant County funds to other organizations. All funds must be spent on direct program expenditures by organization that is granted the allocation.

CRITERIA FOR PROJECT ELIGIBILITY

As required by State Statute and by the guidelines established herein, organizations and/or projects to be funded by A-Tax Funds must have as their primary mission the attraction of tourists to Richland County. Each funding proposal will be reviewed individually to determine the potential impact it will have on the County's tourism efforts.

Priority will be given to organizations and/or projects that have the following characteristics:

- will generate overnight stay(s) in Richland County's lodging facilities;
- will promote and highlight Richland County's historic and cultural venues; recreational facilities and events; and the uniqueness and flavor of the local community.

FUNDING PRIORITIES

The A-Tax Review Committee considers the definitions of "travel" and "tourism" to mean the action and activities of people taking trips outside their home communities for any purpose, except daily commuting to and from work. A-Tax funds must be used to attract and provide for tourists, and must be spent on tourism-related expenditures.

Further, the Committee has previously refused to consider applications which do not appear to promote tourism and enlarge its economic benefits through advertising, promotion, and providing those facilities and services which enhance the ability of the county to attract and provide for tourists. The Committee looks favorably upon projects that generate new hotel room nights sold that replenish the A-Tax fund.

The Committee encourages projects which "leverage" A-Tax funds as "matching" or "challenge" grants and/or which stimulate or add to the financial support contributed to the project by private and commercial/industry purses. The Committee will not generally consider applications that contemplate using any portion of the A-Tax fund to retire old debt or to cover previously incurred expenses or operating losses.

All grant funds must be expended by the recipient organization. Re-granting or sub-granting of A-Tax funds is not allowed.

APPLICATION COMPONENTS

The grant application must be submitted in ZoomGrants through Richland County's website:

Amounts listed in the County A-Tax Request column should total the amount of funds requested on the application. Please make sure that all expenses in County column fit the expense criteria mentioned above. Eligible expenses for A-Tax grants are different from H-Tax grants. Note that there are blank spaces to provide additional expense categories as all budgets are not the same. Feel free to use these additional spaces for other categories not listed such as printing and postage for marketing mailers.

Budget Narrative (A-Tax Grant Funds Only) - Please include a brief 1-2 sentence description for each category included as a budget. For example:

Budget tips:

- Budgets MUST be entered on the budget form provided in the grant application and MUST include a narrative for A-Tax expenditures. This tells Richland County in detail how you plan to spend the grant funds.
- Grant funds should be used for tourism marketing first above any other expense. See the list of eligible expenditures above for more information.
- Be as detailed as possible in your budget narrative. If awarded, this information will be compared to your payment requests. Items in your payment requests must appear in your application budget.
- Signage and banners used at your event, directional signage, gift cards, programs, volunteer t-shirts, and other items handed out at your event do not count as marketing expenses.
