IDENTIFICATION OF CHALLENGES

What challenges do you foresee when trying to accomplish each project?

What is the problem?

What are the causes of the problem?

BROOKS NEIGHBORHOOD ASSOCIATION: CHALLENGES

What is the problem?

- Not a lot of participation

Possible cause of the problem?

- Varying age groups throughout the neighborhood
- Hard to reach and keep the interest of all members
- Some members have young children and cannot attend meetings and events

IDENTIFICATION OF CHALLENGES BREAKOUT

YOUR TURN!

Take about 3 - 5 minutes to identify possible challenges associated with your neighborhood action plan.

RESOLUTION PLAN

What opportunities are at your disposal to aid you in combating those challenges?

What are acceptable solutions to the problem?

Who can act as a resource solve the problem?

What does the organization need to do to solve the problem?

What are the possible resolutions?

BROOKS NEIGHBORHOOD ASSOCIATION: RESOLUTION PLAN

What are acceptable solutions to the problem?

- Gather and update resident contact information to create a more comprehensive list
- Host a variety of events to gain a variety of interest
- Child care options for families with young children

Who can act as a resource solve the problem?

- Richland County Neighborhood Improvement Program
- Our neighbors
- Local community or day care centers

BROOKS NEIGHBORHOOD ASSOCIATION: RESOLUTION PLAN

What does the organization need to do to solve the problem?

- Conduct resident surveys
- Brainstorm different, unique events for increased variety
- Look into childcare possibilities

What are the possible resolutions?

- Increased neighborhood participation, therefore, overall neighborhood improvement

RESOLUTION PLAN BREAKOUT

YOUR TURN!

Take about 3 - 5 minutes to identify and plan how your organization will overcome these possible challenges.
