

# STORM DRAIN SERIES

RICHLAND COUNTY, SC

Geocaching is an outdoor adventure game similar to a treasure hunt but played using a GPS device. The basic idea is to locate hidden containers, called geocaches, and then share your experiences online. There are more than a million active geocaches around the world! Through Richland County's Drains Aren't Dumps series, you can learn ways to keep Columbia's rivers clean while experiencing local public art and seeking fun caches.

Cache #GC9FWVA

**NORTH MAIN BRANCH**

You're looking for a small, pine cone-shaped container. Please re-hide as found.

Cache #GC9FWTT

**COOPER BRANCH**

You're looking for a small, pine cone-shaped container. Please re-hide as found.

---

code

Cache #GC9FWG1

**ROSEWOOD**

You're looking for a small, matchbox-size container. Please re-hide as found.

---

code

To receive your Drains Aren't Dumps series coin, find two caches and email [stormwater@richlandcountysc.gov](mailto:stormwater@richlandcountysc.gov) with a photo of your passport to arrange for the coin to be picked up or mailed to you.

**DISCLAIMER TO NEW GEOCACHERS:**

Please join us in playing. Please do not move or vandalize the container. Replace the cache as you found it and when you leave, make sure the cache is completely covered. The real treasure is finding the container and sharing your thoughts with everyone who finds it.
