Distribution list: North 21 Terrace Development and Danbury Drive Area Residents and/or Property Owners

Subject: Danbury Drive Basin Area Project

Dear Current Residents/Property Owners/Interested Public:

This letter is to inform you there will be a community meeting held on Tuesday, May 14th, 2019 from 6:00pm to 7:30pm at Wiley Kennedy Fellowship Hall and serves as an update from the Stormwater Management Division of Richland County Department of Public Works regarding the localized flooding issues in the Danbury Drive Basin Area.

A public meeting is being called to discuss the project's path forward. The county staff and engineers would like to take this opportunity to provide the public with general information about stormwater, what causes issues in older neighborhoods, and describe Richland County's efforts to study the Danbury Drive area to determine the best course of action to mitigate flooding and secure funding for infrastructure improvements.

This letter serves as an official invitation to you to attend the public meeting.

Venue of Public Meeting: Wiley Kennedy Fellowship Hall
1029 Eastman Street, Columbia, SC 29203

Date & Time: May 14th, 2019, Tuesday at 6:30PM
